Mountain Kids

THE WIN

To resource caregivers and kids in engaging conversations about their experience in Mountain Kids.

PREPARE FOR THE CONVERSATION(S)

Thanks for bringing your kid to Mountain Kids! Whether you engage during weekly programming, online, Mt. 54, or another event, it's always important to ask questions and have a conversation about your kid's experience.

- Before the event, tell your kids you are excited to hear about what he or she learned, what they did, or questions they have about what they learned.
 - Top Three Questions:
 - Did you have fun?
 - What did you do?
 - What did you learn?
- Pray for your kid(s) experience.
- As you drop your kid off at an event, check in with their small group leader as a way to build a relationship with him or her.

DISCUSSION

Families, when kids are asking questions and wondering about their faith, one of the best things we can do is to continue the conversation. **YOU** are the best resource for your kids! Below are some discussion questions to use as you continue or start the conversation. Remember, you are the best person to invest spiritually into your child. Keep the conversation going, and know we are here for you!

- What was one thing you enjoyed about Mountain Kids today?
- What was one fun thing you did today?
- Tell me about the Bible story or lesson you learned about today?
- Do you have any questions about what you learned?
- Did you meet any new friends? What was your leader's name?
- What were some of the things you did during Mountain Kids?
- Pull out your Bible (or app), read the story as a family that was covered during Mountain Kids

PRAY

Pray together as a family throughout your week. Create a rhythm of prayer throughout different times in the day as a way to model this behavior for your kids.

During Mountain Kids there is an opportunity for kids to pray using the following prompts:

- Jesus, thank you for....
- Please forgive....
- I'm asking for....
